Prospective Sponsor,

On behalf of the Tri State Quarter Horse Association Board of Directors, Officer Team, & Membership we would like to first thank you for your interest in becoming a 2010 sponsor of our organization. The Tri State Quarter Horse Association is a horse show club serving Quarter Horse enthusiasts from all over the eastern third of the United States with our main membership and participants coming from the states of Ohio, Pennsylvania, & West Virginia, hence the clubs name of Tri State.

Our club annually holds six main horse shows that last from two to four days in length and are held at one of the premier equine facilities in our area. This facility is at the Westmoreland County Fairgrounds in the greater Greensburg/Latrobe, Pennsylvania area. This facility has capacity to hold well over 500 entries per show. The facility also went through major upgrades starting in 2009 that included 200 brand new horse stalls being erected. This facility also boasts an indoor riding arena which is very hard to find in our area for the horse show enthusiast.

Our association is committed to putting on events that are fun and rewarding for families all across the tri state area. We focus on providing something for everyone no matter what your age at our events. From lead line classes for those that are just old enough to sit in the saddle by themselves and be led by an adult to our select classes for those over 50 years old. We have a youth membership group that makes each and every event fun for all that attend. They normally have some type of fun activity at every show that is collimated with those earning points to attend the All American Quarter Horse Congress as a team in Columbus, Ohio each October.

In order to put on the quality of events that we strive for we need to have sponsors just like you. We offer several different options that are outlined in the remaining pages of this packet. Those packages range from our VIP sponsorship to our Individual Class sponsorship. We truly believe we have something that fits everyone's advertising budget. These sponsorships will benefit people that are going to support the local economy with their purchase of hotel rooms, food, entertainment, fuel & gas for their cars, trucks/trailers & campers. As well as the items they need for their horses and their horse showing hobby all year long. Like horse feed, show clothing, tack, & grooming supplies.

Again we would like to Thank You for your interest & consideration into becoming a Tri State Quarter Horse Association Sponsor! Hope to see you this summer at our events!
